Teen/Parent carnival Friday at Jefferson

Jefferson Middle School is hosting a teen/parent carnival from 3 to 5 p.m. Friday. Staff from the Circle of Health Partnership, as well as city and county law enforcement officials, will run the game and prize event for Jefferson students.

Teens from the START youth group will help with games and team building events to teach students about alcohol and drug use prevention facts. Parents are asked to attend two mini-presentations from 4 to 5 p.m. in the Jefferson Auditorium. The presentations are about youth asset development and teen alcohol use, and are offered by Legacy Center for Student Success and Circle of Health.
